Students for Development (SFD) initiated in 1992 to promote the need for sustainable development in its right form. Not just the environmental issues such as water conservation and management, plastic recycling, ban on plastic usage, forest conservation, etc. but also the issues related to the development in holistic sense that are concerned with the cultural, economic and physical (materialistic) development of person, society, nation and mankind are also dealt with so that the meaning of 'Development' is understood by the people in its right spirit.

In order to fulfill the above objectives regular guest lectures for students of DAV Post Graduate College, Varanasi and other academic activities. Such as inviting eminent Scientists, Researchers, environmentalists and Professors to engage even smaller groups/study circles on topics of their choice, this will be based on the availability of the speakers.

The Necessary expenses of the events such as honorarium for the guest welcome bouquet etc. Will be borne by the of the second part including the offline events.

Campus visits/ Field visits for students studying in various institutes should be allowed to foster exchange of ideas and a sense of collaboration among the students.

1. SFD is keen in organizing Workshops. If in case the infrastructure is available DAV Post Graduate College, Varanasi shall give its venue for such workshops.
2. SFD DAV Post Graduate College, Varanasi chapter shall be handled by the students body.
3. The first party should appoint and ENO (Environment nodal officer) which will coordinate with the working body of SFD In the campus.
