

REPORT: ON THE INAUGURATION OF THE COMPUTER CENTRE

The DAV Post Graduate College, Varanasi, celebrated a landmark occasion on 25th **November 2025** with the formal inauguration of its newly established **Computer Centre**. The centre was inaugurated by the **Honourable Vice-Chancellor of Banaras Hindu University, Prof. Ajit Chaturvedi**, whose esteemed presence made the event both memorable and inspiring.

1. Introduction

The establishment of the Computer Centre reflects the college's commitment to strengthening digital education, fostering technological excellence, and providing students with modern facilities to enhance their academic and professional competencies. Recognizing the growing need for digital proficiency in every discipline, DAV PG College has invested in state-of-the-art infrastructure to ensure that students receive hands-on training in computing, information technology, and emerging digital tools.

2. Objectives of the Computer Centre

- To promote digital literacy and develop practical computing skills among students.
- To provide a dedicated space for conducting IT-based training, certification programs, and workshops.
- To support innovative learning through access to modern systems and software.
- To enhance the overall academic environment by integrating technology into teaching and learning processes.

3. Event Highlights

The inauguration ceremony commenced with a warm welcome to the distinguished guests, faculty members, and students.

The highlight of the event was the **inaugural address by Prof. Ajit Kumar Chaturvedi**.

Following the ribbon-cutting ceremony, the Hon'ble Vice-Chancellor toured the Computer Centre, inspected the newly installed equipment, and interacted with coordinator of Computer Centre.

The inauguration of the Computer Centre on **25th November 2025** marks a significant milestone for DAV Post Graduate College, Varanasi. It symbolizes a new era of technological empowerment and is expected to play a vital role in enriching the academic experience of students in the years ahead.
